Market Fee Schedule

Purchase of licenses

For licensed photos on 500px Prime, you are guaranteed 70% net of the proceeds from every sale. As mentioned above, the pricing is as follows:

- Royalty-Free: \$250 (USD), giving you up to \$175 for every license sale
- Products for Resale: \$750 (USD), giving you up to \$525 for every license sale
- One-time Web/Social: \$50 (USD), giving you up to \$35 for every license sale

Payouts

Photographers can request payouts via PayPal or cheque through the Payments tab in their Store settings. A minimum amount of \$60 is required to request the payment by cheque and \$50 by Paypal. Paypal fees will be deducted from final payout. A processing fee of \$10 will be applied to all payouts by cheque.
